2025 **PLAY**
ESSENTIALS

MAKE PEACE, NO WAR

At Hape, we believe that play is not just a pastime—it's a pathway to growth, learning, and connection. Every child deserves a safe and nurturing environment where they can explore, imagine, and thrive. Our mission is to provide the most fun and rewarding products that all children love to play with, and that helps them learn and develop skills which will best serve them later in life.

In a world filled with uncertainty, we stand for more than just fun. We are committed to fostering a generation that values kindness, cooperation, and peace. As advocates of a world free from conflict, we believe that the lessons learned in childhood—of love, understanding, and respect—can shape a better, more harmonious future for all.

Every push forward and every step taken is a stride towards a more peaceful tomorrow.
